

WE21 HOUSING IS OPEN!

Join your many peers and fellow collegians at the Indiana Convention Center in Indianapolis, Indiana on October 21-23 as we reignite the torch and *Aspire to Inspire*. We are very much looking forward to seeing you again in person!

Please support the Society of Women Engineers by booking your room through SWE's ONPEAK Housing arrangements.

HOUSING DETAILS

We are excited to offer housing through our partnership with [onPeak Housing services](#), a full-service housing company supporting our WE21 hotel offerings.

All groups may book through this site, including:

- Professional Attendees
- Speakers
- Collegiate Attendees
- Faculty Advisors
- Corporate Partnership Council
- Exhibitors
- Government Rated rooms (government ID required – limited rooms)
- Group blocks are available. A group is considered more than nine (9) reservations. Individual reservations are also available.

Book your hotel room at [onPeak](#). Do not book hotels directly, as you will receive higher rates. You will need to indicate the type of room and number of guests in the room.

- Choose whether you're an attendee or exhibitor; then please click to select the hotel of your choice.
- All hotels are within walking distance from the convention center, and six hotels are connected.
- As always, we will make accommodations for anyone with limited mobility.

HOUSING POLICIES

Be sure to read the housing policies posted on onPeak's website before booking a hotel room. This will prevent you from making costly mistakes as we get closer to our conference. All housing inquiries should be directed to the [online inquiry page](#) or by phone at (800) 944-9927 between 8:00 AM and 4:30 PM, Monday - Friday Central Time USA. Housing requests are processed strictly by order of first-come, first-served.

WE21 event registration is separate and will open in late May.

PIRACY URGENT REMINDER:

Do not fall victim to housing piracy by responding to any housing solicitations outside of SWE. onPeak is our only official, exclusive housing block for this event and they will never call you unless you previously contacted them. Many scam companies familiarize themselves with published conference dates, cities, and hotel properties and will find you through any method possible and call you pretending to represent SWE. Please note that the Society of Women Engineers NEVER sells any attendee information. If you have any specific questions or would like to report a breach, please contact conferencemanager@swe.org.

Some frequent pirate company offenders are:

- Global Expo - (888-304-4350)
- Event Travel Planners – reservations@eventtravelplanners.com
- Expo Housing Services – (866-319-3976)
- Exhibitors Housing Management – (800-600-4513)

- Exhibitors Housing Services – (800-217-4402)
- Corporate Booking Services – (CBS Inc.)
- Global Travel Partners
- TravelEra – (800-348-5816)
- Convention Housing Authority
- Global Housing Services Corporation
- National Travel Associates

Housing questions? Contact conferencemanager@swe.org

ROOM GUARANTEES

You will need to GUARANTEE your room with a credit card. Your card will not see a charge until 60 days before the start of the conference.

CANCELLATION

To cancel a room, you must visit [onPeak](#). Be sure to receive a valid cancellation notice when canceling a room, or you may end up with hotel no-show charges. **Canceling registration does not cancel your hotel room.**

Although unlikely, should the Society of Women Engineers be forced to cancel the in-person event for WE21 for reasons of COVID-19, your reservation will automatically be canceled if you booked it through onPeak. If your reservation is outside of this block, you must cancel directly with the hotel.
